

Hardware Specifications

with Cash Wheel

The **ALPHA 2 Pro V22/22** video cabinet takes wide-screen high-definition video to the next level with the **Cash Wheel Top Box**. A proven player favorite, the **Cash Wheel Top Box** presents wheel based top box bonus features that will attract players from far and wide.

- Works with all Bally Alpha games that support the wheel top box bonus feature.
- Powered by Alpha 2, using the latest dual-core processing technology, greatly expanded storage, and accelerated video graphics.
- Design improvements resulting from extensive review with veteran casino operators.
- Elimination of game glass simplifies game conversions.
- Complete download platform when configured with iDeck™.
- Combined bill in and ticket out path simplifies player interaction.
- Ergonomically located space for player tracking systems above the button deck.
- Digital Signal Processing sound system custom designed for the modern gaming environment and located to the sides of the display to produce a cinematic surround-sound audio effect.
- Dual high definition wide screen 22" touch screen game displays.
