

# Hardware Specifications

The **ALPHA FineLine** immerses players into the game. With a 20" high definition touchscreen monitor, Bally's new **ALPHA FineLine** is sure to attract your player's attention. And with a greatly reduced footprint, you will have much more flexibility with floor plans and improved traffic flow.

- Reduced footprint approximately half of a traditional cabinet.
- Works with all the ALPHA-based video games in our ALPHA product library and adds support for new high-definition gaming.
- Available in both single screen and dual screen configurations.
- Uses Bally's ALPHA OS™ with its user-friendly interface.
- 52.1" high allowing it to be placed back-to-back with Bally's ALPHA S9000™, ALPHA M9000™, ALPHA Elite™ S9C, and ALPHA Elite™ S9E. Also available as a 48.03" chop top.
- Ergonomically located space for player tracking systems above the button deck.
- Common components with Bally's ALPHA Elite™ product line, reducing spares inventory.
- Switched and unswitched outlets included.
- Low maintenance design, utilizing components like LED and cold-cathode lighting.
