

Hardware Specifications

The **ALPHA Elite™ JUMBO Video** brings a mammoth presence to your gaming floor that will draw players from far and wide. With a 32" high definition touchscreen monitor, Bally's new **ALPHA Elite™ JUMBO Video** will provide a sure-fire draw for targeted locations on your floor.

- Works with all of the popular ALPHA-based video games in our ALPHA product library and with full support for high-definition gaming.
- Available in single and dual screen configurations.
- Uses Bally's ALPHA OS™ with its user-friendly interface.
- Massive 89" height makes for a commanding presence on casino floors.
- Ergonomically located space for player tracking systems above the button deck.
- Common components with Bally's ALPHA Elite™ product line, reducing spares inventory.
- Switched and unswitched outlets included.
- Low maintenance design, utilizing components like LED and cold-cathode lighting.
